Tech Session

Join us for this technical session as we review the techniques for diagnosing a vehicle parasitic battery drain issue.

We'll then test out those diagnostic techniques on an ailing 1985 Mercury Colony Park Wagon.

Date: Thursday, March 14, 2024 - 9:30 AM

Location: Dawson Residence
1920 Gibson Road White Hall, MD 21161

Space is limited so sign up fast!

RSVP Tom Dawson: tomdawson315@gmail.com or 410-688-8358
